DECORATE YOUR LANTERN

- Decorate your lantern with messages of hope, love, dreams, goals, remembrance, or whatever your heart desires.
- Push the four rods into each corner on the base of the lantern and slide the paper sleeve over the rods.
- Place the LED candle in the center of the lantern, but don't turn in on until it's time to launch your lantern. We utilize reusable LED candles to ensure that your lantern remains lit throughout the event. This also ensures that our team is able to find and collect the lanterns following the event.
- Listen for announcements with instructions on launching your lantern on the water during the launch window.

At the appropriate time, our team will provide instructions to begin the lantern launch. The launch window will last approximately one hour, so please don't rush to the water as there will be ample time to launch your lantern.

MUSIC

MORIAH BAILEY

Moriah Bailey (fka sun riah) is a songwriter who creates intimate and vulnerable sound worlds using primarily harp, voice, and effects pedals. Much of Bailey's approach to the harp - looping, layering, playing with ambiance, dissonance, and noise - has implicitly challenged many assumptions about her instrument. She at times plays solo and at other times is joined by a phenomenal ensemble of musicians. Paste Magazine describes Bailey's music as showcasing "masterful minimalism and operatic vocals." Her songs are delicate and tender, defiant and strong, and they provide space to dwell on and sit with emotions.

MEGAN MARLENE

Megan is a songwriter and storyteller, with a unique style focused on lyrical content. She has been a musician most of her life, learning to sing at a young age and playing many different instruments. Her sound is distinct and versatile, due to the variety of genres she draws inspiration from. She fell in love with acoustic guitar because of its diverseness. From intimate listening rooms to full band shows, Megan is an adaptable performer who can capture any audience. She is currently booking full band shows and solo acoustic gigs and is active in the Oklahoma music scene.
