DECORATE YOUR LANTERN

1

Decorate your lantern with messages of hope, love, dreams, goals, remembrance, or whatever your heart desires.

2

Push the four rods into each corner on the base of the lantern and slide the paper sleeve over the rods.

3

Place the LED candle in the center of the lantern, but don't turn it on until it's time to launch your lantern. We utilize reusable LED candles to ensure that your lantern remains lit throughout the event. This also ensures that our team is able to find and collect the lanterns following the event.

4

Listen for announcements with instructions on launching your lantern on the water during the launch window.

At the appropriate time, our team will provide instructions to begin the lantern launch. The launch window will last approximately one hour, so please don't rush to the water as there will be ample time to launch your lantern.

MUSIC

SARAH CHIRITA

Romanian-American creative Sarah Chirita is well versed in singing, songwriting, and speaking. She is faith based in all her craftsmanship. She welcomes anyone and everyone to her space, wherever they feel most welcomed and comfortable; for her audience to reside wherever they are most connected. We wanna bring some of that Texas heat to the Water Lantern Festival. Residing in Texas herself, Sarah is proud of where she comes from, a small town called Magnolia, Texas. We want to bottle that small town feel and bring it to the night.
